All New Members Welcome

We care for Beeston's past, present and future. A solitary individual can have difficulty influencing public decisions but by joining together we can be more effective. The representations this Society make to Borough or County Councils are respected, as we are known to be wholly independent of political parties, social or commercial institutions, and vested interests. We promote good design and a sense of place in Beeston and you are most welcome to join us by using the attached Application Form.

Annual Membership Rates

Single : £10

Couple : £15

Non-Members are always welcome to our Speaker presentations where there is a charge of £2 per meeting.

Executive Committee

At the AGM in October / November, members from the Society are elected to an Executive Committee, to take on roles such as Chairman, Vice-chairman, Secretary and Treasurer, as well as sharing responsibilities for Membership, Meetings, Planning, Guided Walks, the Newsletter, Publications and the Web-site. The Executive Committee generally meet once a month and new members are always encouraged.

Your Interest, Your support!

Beeston and District Civic Society

A Registered Charity we were founded in 1973 and have some 200 members. Strictly non political our aims are:

To make Beeston and District a better place for all who live, work, shop and visit here.

To protect all that is good by promoting high standards of architecture, design and planning.

To eliminate eyesores and areas of neglect within our community.

Committee members monitor and comment on planning applications, and also keep a watching brief on all major developments and local and regional planning documents. We are not against change, but strive to ensure it is for the better and benefits us all.

In the past we have supported better public services, campaigned for Conservation Areas, appeared at Public Enquiries, saved buildings from demolition, planted trees, and influenced local council decisions.

During the winter we hold monthly meetings with invited speakers; monthly coffee mornings; in spring and summer we organise guided walks, and in September co-ordinate the local participants in the annual Heritage Open Days. We publish booklets and postcards of local interest and members receive a quarterly newsletter.

Protecting and improving the environment

Look around at your environment

Are you happy with what you see?

Individuals have difficulty influencing public decision making, but by joining together we can make a difference.

The future of Beeston and the surrounding district can really benefit from Your Interest, Your Time and your Support!

Come along and meet us!

Our meetings are held at the Beeston Pearson Centre (next to the Round Hill School) on the second Friday of each month, September - April start time 7.30pm. Refreshments are available.
